AFLIVE D/A PRIMARY SCHOOL

Over the years, Bundy Canyon Christian School has come in contact with many worthy organizations and ministries, but nothing is more closer to the heart of our Founding Father, the late Pastor Larry Walker than providing a Christian education to children from all walks of life! BCCC&S has helped many schools in the past in such places as Indonesia, Baja California, Mexico and in South Central Los Angeles, California.

This year, we have selected a school from one of the most impoverished nations of the world, Ghana, West Africa.

Earlier this year, our Pastor, Michael Khan went to Africa on a Missions trip and fell in love with the people of Ada and felt a burden to help them out of poverty. With the help of Bundy Canyon Christian Church & School, he was able to raise enough funds to provide some assistance

2023

Enrollment is 123 children from 16 surrounding villages in Ada, East District of the Greater Accra region of Ghana, West Africa.

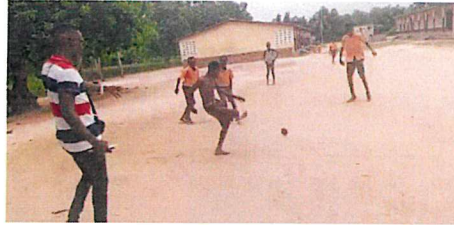

Many must travel by boat just to go to school!

by providing them with shoes, clothing, school supplies and enough money to pay for a cement floor in one of the school buildings!

This is just the beginning of what we would like to help them with! We want these children to have what our children have: good school buildings, proper desks, a playground to enjoy, essential school supplies and maybe even Abeka Curriculum textbooks! Oh, the possibilities are endless!

The Bible says, "Where there is no vision, the people perish!" Our vision for this school and our Bless the Children Offering is GREAT!!! Thank you for your generous love and support! It will make a difference in the lives of these precious children.
