

THE BUNDY BLURP

Issue 53 March 2025

MESSAGE FROM THE PRINCIPAL

The start of Spring is soon upon us, we can all take a deep breath and enjoy a new blooming season. Spring is for fresh starts and embracing changes. As Christians, we are given new hope and mercies each day. We are blessed!

Everyone is invited to attend Sunday Worship Service at 10 am at the BCC Church!

Plants (and many weeds) will soon be sprouting, birds have started their chirping, and baby lambs are being born at Bundy. A big thank you to all the staff, parents and caregivers who continue to support the students as they work towards completing their 3rd quarter of the school year. We look ahead with excitement towards the last quarter of the school year. We hope this newsletter will bring you delight!

We look ahead with excitement towards the last quarter of the school year. We hope this newsletter will bring you delight!

"Let my teaching fall like rain and my words descend like dew, like showers in the new grass, like abundant rain on tender plants." – Deuteronomy 32:2

Our BCCS students of the month for February are: Charlie Zeigler (Kinder), Oaklee Wilson (1st), Savannah Kearns (2nd), Isabella Ahrens (3rd), Harrison Richardson (4th), Brodi Day (5th), and Jordyn Ahl (7th). Brilliant work, Mustangs!

VOLUNTEER SPOTLIGHT: HAYLEY BOYER

Hayley Boyer is a parent volunteer in the office, serving 6 hours a day. Hayley also attended BCCS as a student. Hayley first started working at Bundy Canyon in September of 2024 when she enrolled her son in the Preschool. A typical day for Hayley is comprised of waking up, praying with her son, making breakfast and getting ready for the day. At Bundy, she is involved in feeding the farm animals, checking on the egg incubator, answering phone calls, and any additional work the office needs. Hayley's favorite hobbies are playing soccer, taking care of animals, and riding horses. Mrs. Sharilyn Carpenter (former BCCS 2nd grade) was Hayley's favorite teacher because she was very kind and encouraging. Hayley states that Mrs. Carpenter made school fun and motivating. Hayley stays organized by following AVID strategies, like readiness skills, critical thinking, planning, goal-setting, etc. To deal with stress, Hayley prays and does deep breathing. Hayley's favorite food is sushi and her favorite drink is the Dinosaur Egg from Dutch Bros. If she

were to be a superhero, Hayley would choose to be Wonder Woman because she's "strong, fearless and willing to go head-on in any challenge for the wellbeing of others!" The advice she gives to the students is to "Pay attention and value what you do. School and Education are most important." Hayley's favorite Biblical verse is Psalm 46:5 *God is within her and she shall not fall*. In 10 years, Hayley sees herself as still being a part of the Bundy community with her son. Thank you for all your support and kindness, we are so grateful!

UPCOMING APRIL EVENTS

April 1 Basketball away game 3:15 Riverside

April 3 Basketball home game 3:15

April 4 3rd Quarter Report Cards

April 5 Bundy Buckaroo's Country Fair

April 7 Spring Picture Day for K-8th grades

April 28 *Bless the Children*

April 30 Track & Field Meet for 3rd-6th grades at Bethel Christian 3:15

OUT ON THE FARM: NEW LAMBS!

We have several new baby Dorper lambs in the petting zoo at Bundy. They are super adorable! Don't let the word "sheepish" mislead you... Sheep are actually smart animals who do much more than graze around. At Bundy, the sheep and lambs are cared for as companion animals. Sheep form strong bonds with one another, such as those between a mother and her lamb, and other friendships too. Sheep, like goats, have interesting pupils that are rectangular; this allows them to have 270-to-320-degree field of vision. They can see almost everything around them which is useful for watching out for predators, like coyotes. Additionally, sheep can recognize faces and remember them! Sheep have a groove in their upper lip that divides it in half. This groove is called a philtrum. Sheep are very picky grazers, also called *browsers*, and prefer to eat only the best vegetation. The philtrum allows them to select the leaves and other vegetation that they like. Hope you learned some wool-somly fascinating information!

The Accounting department would like to remind parents to pay their bill on-time (first day of the month). Also, all accounts must be paid before the end of the school year (June 6, 2025). If you will need more time to pay your account in full, you **MUST be on a payment plan with acceptable terms. Please contact Accounting. Thank you!**

Questions? Feel free to contact PTO if you have input. Contact for PTO Leadership is Maria B. (951) 973-3206.
